

November 9, 2017

Dear Presidents of Local Societies,

As you already know, I am not going to seek re election for the next District Director term (2019-2022). The district will need a new Director and I know there are many competent and worthy people in our district who could apply.

In a separate email, I am including the nomination form and other forms relevant to this position and will include them in a separate email. Application forms must be sent to Carol Spiers at ARS, [carol@ARS.org](mailto:carol@ARS.org).

by January 30, 2018.

The new District Director will be installed in Oct. 2018 at the National Convention in San Diego when Bob Martin will be installed as ARS President. There is plenty of time for questions. This is a 3 year term.

Joan Goff
